**Article 8**

**Patrick Egan**  
Portfolio Manager

Russell Investments' Global Equity Team comprises over 23 experienced professionals, including portfolio managers, researchers, portfolio analysts, and strategists in Russell Investments offices around the globe. The team manages a wide range of U.S., non-U.S developed, emerging market, frontier market, and global equity mandates.

## Fund Objective

The Fund aims to achieve long term growth by investing in the shares of European companies (excluding UK), or companies that carry out a majority of their business in Europe. The Fund is actively managed with reference to the MSCI Europe ex UK Index (Eur) Net Returns (the index) which it seeks to outperform by 1.75% over the medium to long term. Russell Investments/ Money Managers have full discretion to select investments for the Fund. This product is an Article 8 product, as defined under EU regulation - it promotes environmental or social characteristics and invests in companies that follow good governance practices. This product does not have sustainable investment as its objective.

## Fund Update

The Fund outperformed the benchmark in the fourth quarter. The tilt towards value and momentum stocks was favourable. In sectors, an underweight to and selection within consumer staples (underweight Nestle) and utilities contributed positively. Selection within financials (overweight Euronext) was also additive. However, selection within industrials (underweight Siemens Energy) limited further outperformance.
